

HOPS.® - Foil

product information

HOPS.® - Foil – Turn your shop window into an attention grabbing magnet for passerbys

HOPS.® - Foil is an holographic projection display which is especially designed to be easily and quickly installed at each shop window to transform it from a plain glass into an futuristic display within a few hours. Due to its unique holographic optic HOPS.® - Foil appears nearly invisible but provides a fantastic image to impress your customers.

HOPS.® - Foil is due to its outstanding daylight capability, remarkable transparency and high-contrast the perfect choice in the shop window area. Use this fantastic eye-catcher to inform your customer casually about your offers and guide them into your shop easily. You may add a news ticker for extra service or sell some time for advertisements to create additional turnover or synergies with enthusiastic partners.

HOPS.® - Foil
